## DIETARY REQUIREMENTS?

(V) Vegetarian | (VO) Vegetarian option | (LG) Low gluten | (LGO) Low gluten option | (DF) Dairy free | (DFO) Dairy free option | (VG) Vegan

If you or someone in your family has a food allergy, please let our staff know when ordering.

We do not operate an allergen free kitchen, however we take extra care when dealing with allergies, and do our best to minimise the risk of cross-contamination by using separate utensils and gloves when cooking for an allergy. We have updated our menu to better reflect how our kitchen operates and to reflect important changes to food labelling compliance. For instance, we now refer to low gluten (LG) items instead of gluten free (GF) items; restaurants should only claim items are gluten free if there is zero gluten on the premises.
